

Education - Full Life Newsletter

Education - Full Life Newsletter

Each patient will receive Byram's Full Life Newsletter in their first order. The Full Life Newsletter was developed to provide patients with basic information on how to care for their stoma. In addition, Ostomy education folders are available for patients addressing all points of information for urostomates, illeostomates and colostomates. Please email education@byramhealthcare.com for a copy. Download Our Ostomy Full Life Newsletters:

- Issue One: Understanding your Ostomy
- Issue Two: Irrigation for Colostomates
