

WOCN Consultation

Ostomy Clinical CareLine: The Byram Healthcare Ostomy Clinical CareLine is designed to support the needs of our current ostomy patients, new referrals and healthcare professionals. Closely monitored by our contracted WOCN (Wound, Ostomy, and Continence Nurse), this CareLine is a great resource for anyone experiencing clinical trouble in regard to an ostomy. What is it for? Our specialized Ostomy CareLine is a resource that can be used for clinical questions or concerns that pop up post discharge or between regular visits to the physician or hospital WOCN. The Ostomy CareLine is excellent tool for new ostomates, or long-term ostomates who may have developed a new issue. Our CareLine WOCN knows when to recommend in person care, but also has the knowledge to address a variety of issues. Ostomy Clinical CareLine: 1-877-902-9726 ext. 43312
