Byram Healthcare 2022 Continuing Education Courses

Our courses are approximately 1 hour and provide 1 CE credit for nurses, social workers, WOCNs, certified diabetes educators, registered dietitians and case managers. All Byram CE courses are recorded and posted here:
gotostage.com/channel/byramhealthcare

You must be registered for the specific course to watch the recording.

First Quality's CE Courses are only approved for CCM (Certified Case Managers) or nurses and is specified above.

First Quality are distinguished with an*.
First Quality CE courses are NOT recorded.

If you have any questions about the program or would like to be added to our CE distribution list to stay up-to-date on our upcoming live CE courses, please contact:

continuingeducation@byramhealthcare.com

Rather take the course at your own pace? We also offer an on-demand CE program, where all live Byram CE topics are taught in written form. The post-test is taken online after the completion of the course. **<http://hi-r-ed.org/bhcourses.asp>**
