

**FOR IMMEDIATE RELEASE**

## Byram Healthcare is Moving Physiatry Forward in the Big Easy

*White Plains, NY* – Byram Healthcare will be an exhibitor at the *American Academy of Physical Medicine and Rehabilitation's* (AAPM&R) Annual Assembly. Held in New Orleans, Louisiana, from October 20<sup>th</sup> to 23<sup>rd</sup>, the Annual Assembly is the largest gathering of PM&R Physicians in the country. Byram will be exhibiting for thousands of physiatrists, sharing ways to remain focused on innovative patient care and changes impacting the business of medicine.

AAPM&R is the primary medical society for the specialty of physical medicine and rehabilitation. The Annual Assembly will provide learning opportunities, networking and a variety of hands-on workshops. Byram Healthcare is no stranger to sharing their immense product knowledge. Along with various experts from a variety of clinical areas, Byram has experience caring for those with disabilities on a daily basis.

One of these experts is Byram Healthcare National Product Manager, Christi Dabney Rauth. When asked about the Annual Assembly, Rauth said, "We [Byram Healthcare] are proud to show our continued support for AAPM&R. It's an excellent opportunity to network and share with a group of professionals who are essential to our company mission - physiatrists."

Byram Healthcare has been a leader in disposable medical supply delivery since 1968. Byram can often be found in attendance at conferences and events that support and promote health and wellness.

AAPM&R is the primary medical society for those specializing in physical medicine and rehabilitation. Founded in 1938 and proud of their many accomplishments, the Academy is dedicated to advancing their members' ability to serve patients.
